

Wrap up

- Q & A
- Feedback:

Where should our priorities be? Expanding the methods, expanding the examples, building a community, other?
- Work with us, get involved:

Create an example using CoFI: modify an existing template or create your own.
- Espresso challenge:

Contribute an espresso example: e.g. parameter estimation or Bayesian sampling.

Students: propose an espresso example on 1 page... be paid to put it into espresso ...
